CAREER SUMMARY

Global Insights and Partnerships Director

The Social Progress Imperative. London and Washington DC.

Global think-tank and research organization implementing a vision of a world in which social progress sits alongside economic prosperity as a measure of success for our societies.

January 2016 to Present

- Lead the global expansion to scale the adoption of the Social Progress Index to equip government, business, and civic leaders with actionable insight on things that most matter to their community, prioritizing G20 and other strategically significant countries.
- Built a robust network of partners in more than 45 countries across Latin America, Europe, Africa, and Asia Pacific that is empowering 2.5 billion people with the first-ever understanding of the true state of their society and the tools to drive change.
- Design and implement strategy to position the Social Progress Index as key resource in operationalizing and localizing the Sustainable Development Goals, developing relationships and projects with the World Bank, the T20, The Global Partnership of Sustainable Development Data, the World Business Council For Sustainable Development (WBCSD), the UN system, and others.

General and Founding Director

Fundación Gente, Costa Rica.

Non-profit organization developing programs and instruments to strengthen and upgrade the national public education system through public-private partnerships.

August 2012-September 2015

- Led multidisciplinary team of education, policy experts and leaders of opinion that established and coordinated public-private partnerships to strengthen the quality of public education in Costa Rica.
- Achieved direct impact on the whole education system through:
- Lobbying for four educational law reforms in the Ministry of Education.
- Directing educational and advocacy campaigns reaching two million people.
- Establishing volunteer and CSR programs for 40 businesses and universities.

CEO and Founder

Miguiaeducativa, Latin America.

Social enterprise providing psycho - educational support to more than 40,000 mothers in Latin America

January 2009-August 2013

- Created start-up organization, transforming it from an idea into a social business providing services to users in Latin America with local representation in four different countries.
- Shaped a network 40,000 of users and clients from all over Latin America in less than two years.
- Consolidated the initiative with the support of prominent regional and global organizations, including the FAF, the OAS, the Responsible Social Forum, and SICA.
